Note.

I regret to have to report that one of the clerks of the Muzrai Secretariat named C.R.Krishnamurti Rao died about a month ago. His permanent pa. was Rs. 30, and he was getting two acting allowances of Rs. 5 each. He was one of the hands employed in preparing precis of correspondence, writing office notes, &ca, and his removal is felt as a real loss by the Office.

2. As a really qualified and competent hand is required for the Office to fill the place of the deceased, I very respectfully beg that I may be permitted to appoint to the post one R. KrishnaChar B.A. a young Madhwa Brahmin, who has graduated with Sanskrit as his optional language and who reads and writes Canarese fluently and well. He has had about six years sevice under Government, and his appointment in the Office of the Inspector of Agricultural Banks having been recently abolished, he is now working in the Revenue Branch of the General Secretariat on pay Rs. 25 per mensem as a supernumerary, pending a place being found for him elsewhere.

Yes - Krishnachar's friend left with a Sanad & letter & will call for it. 28.X.83

3. As the young man seems suited for the work of my office in every way, I venture to request that my proposal may be kindly approved.

4. The smaller officials of the Office(none of whom is equal in qualifications to the candidate named above) are in receipt of acting allowances, and I intend recommending their confirmation on their present salaries when the question of Mr. Mrityunjaya Iyer is settled, but meanwhile the filling up of the vacant post by a competent hand is an absolute necessity for the due performance of the work of the Office, and hence my recommendation as above.

Submitted to His Highness

On the appointment in April 1901, of Mr. Mrutyanjaya Iyer, Manager of the Muzrai Secretariat on ₹150 per mensem, as Assistant Superintendent of the Census Department, Srinivas Row, the Head Clerk of the same office on ₹50 was, as a temporary measure, appointed Manager on ₹75, the other half going as a saving to Government. Mr. Mrutyanjaya Iyer having since been sent out as an Amildar, after relief in t Census Department, the Muzrai Secretary strong recommends the confirmation of Srinivasa Row a Manager on ₹100. This recommendation may be sanctioned with effect from the 1st July 1905.

The Muzrai Secretary also proposes small increases to the other officials and men als of the office, aggregating in all ₹50, wh will be separately dealt with. These recommen tions do not involve any additional expenditur as the full amount of ₹150 has been provided

for in the Budget.

21. VIII.03 Wid.

Note.

Muzrai Office Establishment.

I beg to bring to the Dewan's recollection that nearly 2½ years ago, in April 1901, Mr.A.Mrityunjaya Iyer, B.A., Manager of the Muzrai Office, on pay Rs.150 per mensem, was deputed to do duty as Assistant Superintendent of Census on Rs. 300 a month. During the long period of his absence, I have, with the Dewan's sanction, had all the work of the Office done by the remaining members of the small Establishment of this Office, giving the existing Clerks small increases of pay, utilizing for the purpose one-half of the salary of Mr.Mrityunjaya Iyer, the other half going as a saving to Government. Under this arrangement, the Head Clerk, M.Srinivasa Rao, was made to act as Manager on pay Rs. 75, and no additional Clerks were employed. The arrangement has worked very satisfactorily under the vigilant supervision of the Acting Manager, notwithstanding the increased quantity of work which had to be dealt with.

2. The Census work being now almost all over, it is probable that Mr.Mrityunjaya Iyer will soon return to his permanent post in the Muzrai Office. This will necessitate a change in the existing arrangements, and send the Acting Manager and the Clerks back to the smaller pay which they were drawing formerly, after drawing higher pay for nearly 2½ years. All the hands have

worked hard and cheerfully, and have aided in the disposal of much increased work and the clearance of very old arrears, and they do not, in my humble opinion, deserve to be thrown back in pay. The Ag. Manager, M.Srinivasa Rao, too, is intimately acquainted with the work and literature of the Muzrai Department, and is an excellent Munshi in Kanarese, a good knowledge of which is essential for the work of the Muzrai Office, and he well deserves to be confirmed in his place.

3. In making the above representation my object is to respectfully suggest that the ~~permanent~~ permanent Manager, Mr.Mrityunjaya Iyer, may, on the completion of his Census work, be provided for elsewhere, as I believe his meritorious services in the Census Dept't will probably come under the notice of Government with the view of providing him with a better position.

4. Such a measure will enable me, by utilizing the whole of Mr.Mrityunjaya Iyer's pay, to improve and make permanent the position of the existing Establishment of the Muzrai Office, and add to it one or two more Clerks who are much needed.

5. I need scarcely add that I have ventured to submit the above purely in the best interests of the Muzrai Office.

Submitted to the Dewan. 14/9/03

Mr Mrityunjaya Iyer has been permanent sent back as Assistant

28.IX.04

Note continued.

6. Referring to the facts stated in the preceding pages of this Note and the Dewan's remark thereon dated the 28th September 1904, I very respectfully beg to submit proposals for improving the pay of the Officials and servants of the Muzrai Secretariat, utilizing for the purpose the half of Mr. Mrityunjaya Iyer's pay (viz. Rs75 per mensem) which has been left unutilized from May 1901.

7. The Manager and Clerks of this Office were kindly given small increases of pay by order of the Dewan so far back as May 1901 and they have all worked in a very satisfactory manner for nearly 4 years, notwithstanding that work in this Office has greatly increased during that period. They have therefore, in my humble opinion earned a further increase of pay.

8. I beg to append a Statement showing the pay of each Official before 1901, the increase sanctioned in 1901, and the increase now recommended.

9. I have ventured to recommend an increase of Rs25 to Mr. N.Srinivasa Rao, Manager, raising his pay from Rs75 to Rs100. He is a very intelligent and capable official who has served in the Muzrai Secretariat from its very commencement in 1891 and knows all about the work and literature of the Department. He also manages the Office very well and I think he deserves the increase recommended.

10. The Head Clerk (N.Venkata Rao) is a very efficient official who is employed in writing

precis of intricate cases and in writing drafts. He has also more than once performed the duties of Manager during the latter's absence now and then. I have recommended an increase of Rs10 to him.

11. The next two officials, Krishnamachar and Appu Rao, are also good noting Clerks. The first has special knowledge of accounts and the second is a B.A. and B.L. of the Madras University The latter is my son-in-law as the Dewan is aware. I have recommended an increase of Rs10 to each of these officials.

12. The next two officials, viz., Nilakanta Rao and Krishnamurti Rao received increases of Rs5 each last month in consequence of the transfer of a Clerk named R.Krishnachar, B.A., from this Office to the General & Revenue Secretariat under the Dewan's Orders, and so no further promotion is recommended for them.

13. The next man named Ahobala Sastri is a useful hand who has been drawing pay Rs25 for the past 4 years nearly. I beg to recommend him for ~~an~~ increase of Rs5.

14. The above increases amount to Rs60 and leave a balance of Rs15 out of the sum of Rs75 available from Mr. Mrityunjaya Iyer's pay. Out of this balance a sum of Rs5 per mensem may, it is submitted, be given as an allowance to A.Venkata Rao, one of the Accountants on Rs20 per mensem paid from Muzrai funds, i.e., from the funds of the temples at Chamarajnagar and Kalasa under the authority of para 18 of Govt. Pro. No.2892-901

dated 19th March 1904, relating to Muzrai Accounts. This Clerk is an F.A. and is very useful in writing Office Notes and keeping accounts, and the grant of the allowance proposed would be a great encouragement to a deserving official.

15. Out of the balance of Rs 10 still left, Rs 8 may, it is submitted, be distributed at the rate of Re 1 each to 8 of the peons as shown in the accompanying list and the remaining Rs 2 may be given to Peon Seshiengar, who is a Brahmin and is a literate man and who does clerical work in the Records of the Office. With the increase proposed his designation may be changed from "Peon" to "Hafterband".

16. I beg earnestly to recommend the foregoing proposals for favor of kind approval. The work of the Muzrai Secretariat has increased very much during the past few years, and what with the additional correspondence and accounts connected with the several Matis which have come under our management and the accounts sent in regard to them and in regard to other Muzrai Institutions in the Whole State, I have no hesitation in saying that the Establishment is really hard worked and deserves encouragement.

17. It is respectfully submitted that the arrangements to be now sanctioned may be given effect to from the 21st September 1904, on which date Mr. Krityunjaya Iyer was appointed Assistant.

18. The sum of Rs 75 per mensem from which it is proposed to meet the increases above recommended is not asked for as an extra grant. It has been all along provided in the Muzrai Budget and

included in the Manager's pay bill at Rs 150 per mensem, while the [illegible] drawn by that official has been only Rs 75 per mensem.

Chamarajendra Rao,
16/2/05

Subt to the Dewan through the Sec'y.

16.2.05.

The recommendation of the Secretary and Treasurer with regard to the appointment of an additional Accountant and the balance of the Manager's pay, Rs 75 to be appointed to be utilized for increasing the pay of the office establishment, the Manager's pay is to be drawn to Rs 100 which I do not think is too high considering the amount of work devolving

on him and his responsibility officials discharging similar functions in other depts to draw very much higher salary. The other inmates do not succeed, how to and do not call for any comment?

Muzrai Secretary's further remarks

An Order has been issued today under the Dewan's instructions appointing M. Ramaswamaiya on Rs 25/-, instead of on Rs 20+5, and directing the reversion of A. N. Atobala Sastri to Rs 20+5. The need

alterations have been made
